

With love always

Following Tim's service, the family invite you to join them to share further memories over light refreshments.

We thank you for all your love and support.

WHO WANTS TO LIVE FOREVER - Queen

There's no time for us
There's no place for us
What is this thing that builds our dreams
Yet tips 'em 'way from us
Who wants to live forever?
Who wants to live forever?
There's no chance for us
It's all decided for us
This world has only one sweet moment
Set aside for us
Who wants to live forever?
Who wants to live forever?
Who?
Who dares to love forever? (Oh, whoa!)
When love must die
But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today
Who wants to live forever?
Who wants to live forever?
Forever is our today
Who waits forever anyway?
